

MINERAL FILLED MASTERBATCHES & COMPOUNDS

Low Power Consumption

Higher Output

Saving in Raw Material Cost

**PP
INJECTION
MOULDING,
WOVEN SACKS,
BOX STRAPPINGS**

75 to 60% Calcium Carbonate & Talc Filled Polypropylene Mastercatches For Furniture Mouldings, PP Woven Sacks & Other Injection & Blow Mouldings, Extruded Sheets & Box Strappings.

**PP
AUTO PARTS
ELECTRICAL
ACCESSORIES,
APPLIANCES**

40 to 20% Filled Injection Moulding Compounds for Automobile, Electrical Appliances. Also Fire Retardant Grades.

**LLDPE
BAGS
&
SHEETS**

70% Calcium Carbonate Filled LLDPE Masterbatch for Increasing Opacity, Productivity & Lowering Power Consumption in Continuous Processing of LLDPE & HDPE Blown Films.

**Manufactured at our Modern Compounding
Facility in DADRA (Silvassa)
